Dear tournament participant:

Finally, we are here in Providence! On behalf of all USADB/ABAD members, our deepest thanks go to Bruce and Lorraine Beston, their assistant tournament directors, and the many volunteers of the NEAAD member clubs for a wonderful and well-organized tournament. No tournament is easy to plan. It takes thousands of hours of hard work, good will, and much patience. Bruce's leadership made it all come together. It has been a pleasure to work with him.

This tournament is also a historic one because here in Providence the USADB and ABAD will take the final steps to join together to become one strong, dynamic national organization. After years of meetings, discussions, and planning, USADB/ABAD will finally take it's rightful place as one of the largest and strongest National Sports Organizations in the deaf community of the United States. Our thanks to USADSF President, Dr. Bobbie Beth Scoggins. for her help in making this happen, to the Regional Presidents, who have helped to shape our new national organization, and to the many committed fans and members who have shared their input and suggestions as we worked together toward this goal.

Our future is a bright one. At this tournament, and in the days ahead, I foresee that all of us, from the clubs, to the regional leadership, to the USADB/ABAD board, will join together in providing leadership and strength to our new national organization. Our vision is large, and our professionalism is growing. Each and every one of us must step forward in providing leadership and help as we continue to build and grow. From the smallest committee, to the largest decisions, there is a place at the table for each person in the USADB/ABAD family to build and grow together.

Most importantly, my thanks to our basketball athletes. Without you, there would be no USADB/ABAD, and no basketball program. We have outstanding athletes and teams here in Providence. There will be many exciting games for us to watch, as the nation's best deaf basketball players come together to challenge each other for the national crown. Our hearts and best wishes are with each of you.

Let the games begin!

With very best wishes,

Thomas L. Penny

Friends...Athletes, Fans...everyone of us friends,

Fifty-six times this Annual Basketball Tournament for Men and ten times this Annual Basketball Tournament for Women have met to pit the best against the best. Now we come to Providence for the tournament of tournaments. Our National Champion will be crowned here during the week of April 12 – 16, 2000.

I am proud to say that women's basketball has "come a long way...baby!" Women are now are fully equal in participation and resources.

The merger of the USADB and the ABAD has been the highest priority when I took office in 1998. Now, I see it come full circle and be fully realized at the Providence tournament 2000. How can I express the thanks of the grassroots basketball players who have asked for this merger over and over. Thanks to everyone for making this possible. Many, many hours were spent on this joining by many people. Thank you for making my dreams come true.

My second priority has been to see the United States Olympic Committee provide full recognition, with funding equal to Olympic athletes, to the USADSF athletes. It will come.

The future of USA Deaf Basketball excites me. I watched many of our basketball players in Havana, Cuba at the Pan American Games. I know all of our players will be in top notch playing condition for this tournament and we will see some deaf "Michael Jordans" here.

Have fun! Be a good sport!

GREETINGS FROM THE AMERICAN BASKETBALL ASSOCIATION OF THE DEAF

On behalf of ABAD, its families, Ira Hendon III, and myself, I would like to welcome to all those participating this weekend's tournament at Providence, Rhode Island.

This year tournament will see us witness one of the historical moment to take place for everyone involved in this tournament. This will be the time when we will work to reach a merger with two organizations, that being, the USADB and ABAD. The merger will surely validate the deaf basketball sports' role as its leader in the next millennium.

This weekend we will be going over the new constitution and bylaws to replace both USADB and ABAD current bylaws. All people of both organizations are welcome to make inputs or suggestions at Providence. We are pleased we will come to a closure to finalize the merger. The merger will definitely plant the seeds for the future and enhance the deaf basketball program for all players involved.

The two sides has entered serious negotiations for two years. Both sides have worked very hard and compromised. There seems to be a genuine level of satisfaction among both parties. I want to commend the leadership of USADSF, USADB, ABAD and the regions for their hard work and commitment to reaching this merger agreement.

Over a year of preparation has gone into making this tournament a reality, Bruce Beston, chairman, and the NEAAD are to be congratulated for their tremendous patience and effort into making this tournament a #1!

My term with the ABAD will be coming to an end and I am glad that the final days will be here with the merger at place where I can step down proudly. It has been an experience I will not regret. I have had the opportunity to meet many people and developed friendships and opportunity to associate with the many great athletes.

For everyone who have helped, promoted, supported and encouraged the continuity and growth of the deaf basketball sports for many years, we sincerely thank you.

Best wishes to all for an exciting and memorable tournament!

Craig Opheikens
ABAD Commissioner

NEW ENGLAND ATHLETIC ASSOCIATION OF THE DEAF, INC.

A MESSAGE FROM THE PRESIDENT OF NEAAD

On behalf of the NEAAD region, we wish to welcome all participants and Athletics to the 2000 USADB/ABAD National Basketball Tournament host by NEAAD's Clubs (Rhode Island Athletes & Social Club of the Deaf, RI, Greater Hartford Club of the Deaf, CT, Holyoke Athletes & Social Club of the Deaf, MA, Greater Portland Club of the Deaf, ME, and Pittsfield Athletes Club of the Deaf, MA) to be held in famous historical city of Providence, Rhode Island. Mr. Bruce Beston should be commended for an outstanding job in his efforts to continue with the tournament.

While this is a heavy responsibility, Mr. Beston's supporting cast of his committee should also receive an acknowledgment. They have put together a wonderful program for all of our participants, and I suggest that everyone take full advantage of what they have to offer.

Again, best wishes for a successful tournament.

Kim W. Valli
President

Executive Office, City of Providence, Rhode Island
VINCENT A. CIANCI, JR.
MAYOR

April, 2000

Dear Friends:

On behalf of the City of Providence, I'm pleased to welcome all participants of the 2000 USADB/ABAD National Basketball Tournament. As you attend events in our dynamic renaissance city, you will immediately experience the pervasive energy and enthusiasm that elevate Providence head and shoulders above the rest.

The tremendous character, courage, and ability that each athlete brings to this terrific event enriches the community spirit that makes Providence one of the nation's premier destination cities. Indeed, the lasting dedication to excellence that beats strongly in every participant's heart during the heat of competition sets a standard for athletes everywhere. With every no-look pass, with every thunderous dunk, and with every last second, game-winning trey, your play will inspire and uplift our entire city.

I wish you all the very best for an outstanding tournament. I'm honored to host this prestigious event in Providence, and thank all participants for helping to make ours a championship city. Again, good luck and welcome to Providence!

Sincerely,

Vincent A. Cianci, Jr.

2000 USADB National Basketball Tournament

Greetings to all teams, fans, leaders and friends! Welcome to Providence, Rhode Island. Here's something you all should learn about Rhode Island. Although Rhode Island is the smallest of the 50 states, it claims 20% of the landmarks on the National Register of Historic Places.

If you take a trip south to Newport, Rhode Island which used to be the site of past America Cup sailing races until Dennis Conner won the America Cup and moved the race to San Diego. In Newport, there are so many historic mansions where you can take tour of the mansions. There were numbers of largest tunas being caught off the cost of Rhode Island where Shawn Jefferson, former wide receiver of New England Patriots caught a 468 pounds tuna off the coast of Rhode Island last summer.

The city of Providence had improved to where we have this new mall, Providence Place, which is within walking distance from Providence Biltmore. This mall is something you all will have to see, if you're avid shopper, you got a place to shop.

I want to thank Kathleen Ceseretti of Providence Convention & Visitor Bureau for all of her help in making this tournament happen. If it was not for her help, this tournament will never happen. I also want to thank all of my assistant chairpersons for all of their time involved planning this tournament. I also want thank should go to Muriel Strassler, USADB's public relation director who served as tournament liaison for all of her time involved in communicating with us and all of her input relating to this tournament. My special thank to my wife, Lorraine and our daughter Raphaella for their patience and support with my time involved in planning for this tournament.

During the tournament, there is another historic event, which may tell you why Rhode Island is historic place. The reason is because we all will witness the merge of United States of America Deaf Basketball, Inc and American Basketball Association of the Deaf where they will become one basketball organization.

Let's play ball and have a great week at the tournament!

Sporting yours,

Bruce Beston

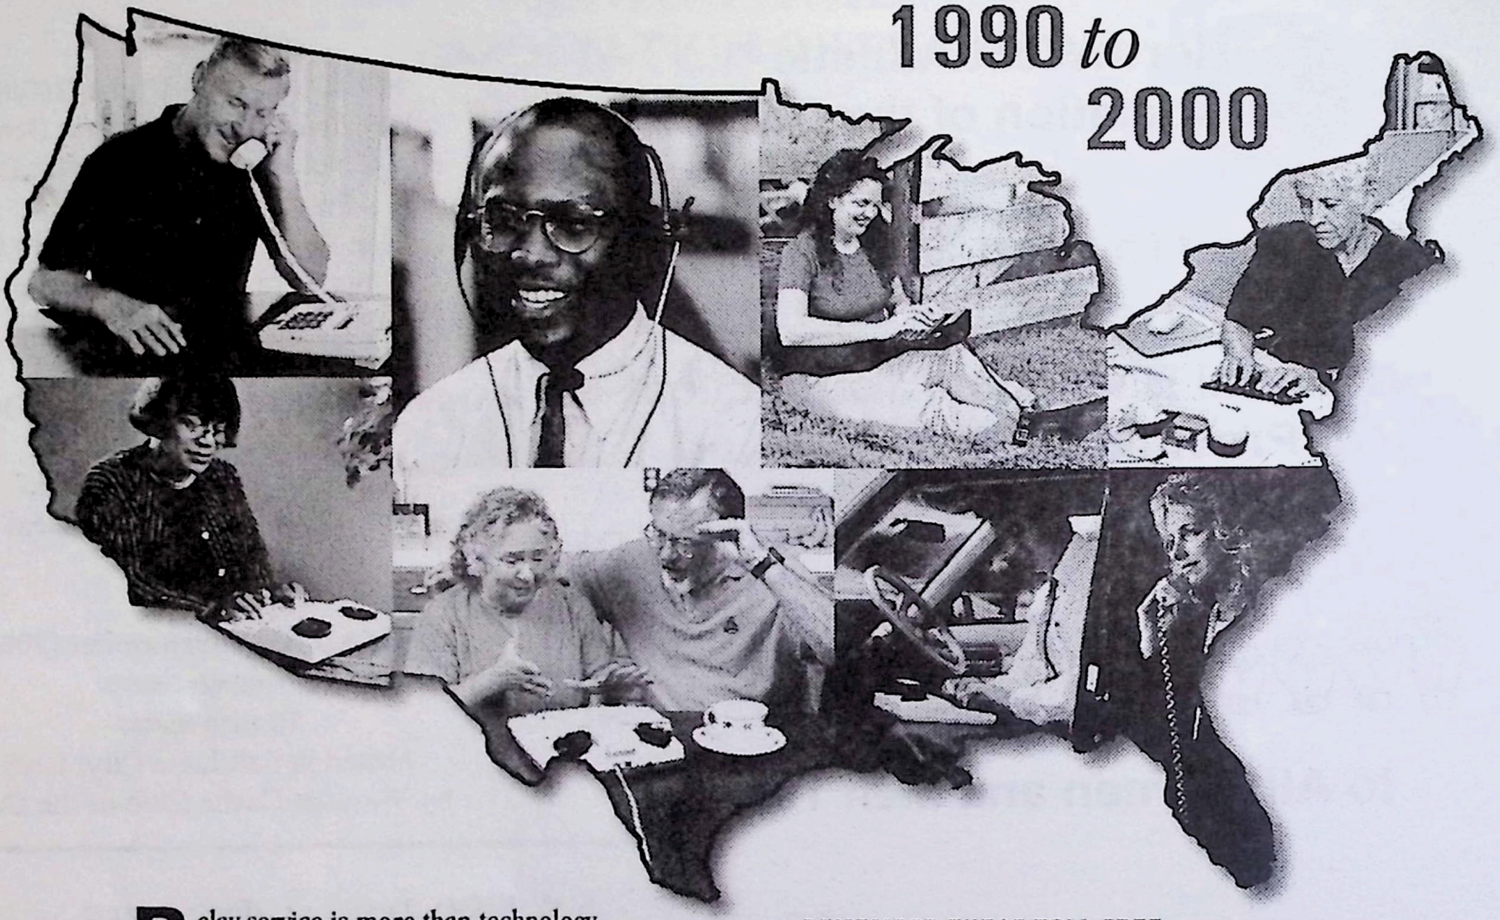
Sprint Relay℠

Celebrating 10 *years of service...*



Relay service is more than technology. It's what makes it possible for you to reach out to friends, family, colleagues, customers, businesses and service providers—without giving it a second thought.

Because communication is an important aspect of everyday life, the successful completion of your relay call is important to Sprint. Whether you're chatting with a friend or closing an important business deal, you can look to Sprint Relay℠ for the quality of service that makes communication effortless—and enriching.

REMEMBER THESE TOLL FREE NUMBERS FOR STATE TO STATE CALLING

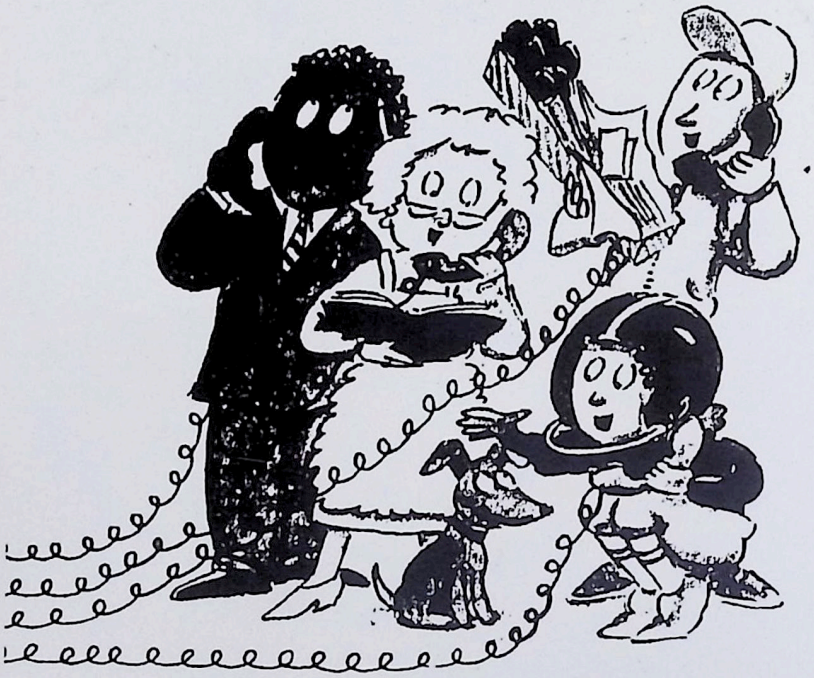
1-800-855-4000
SPRINT TTY OPERATOR SERVICE (TTY)
Operator surcharges may apply.

For information on relay through public payphones contact Sprint Relay Customer Service.

Sprint®

The point of contact℠

We'd love to hear from you.



Reach out with relay.

Just think of all the people who want to hear from you! Old friends. New friends. Family members. It's easy to call them with relay. And it's always a good idea to make a relay call before you drive somewhere. You'll save time and money—and gasoline, too. So be heard! Reach out with relay.
